

The optional Vscan Air Individual Solutions subscription connects you to user-centric digital tools.

Individual Solutions

Vscan Air + Digital Tools

Powerful imaging. Powerful connections. One add-on subscription.

[Order here!](#)

Vscan Air™ is a wireless, handheld ultrasound system that enables whole-body scanning and delivers crystal clear images. And now, Vscan Air + Digital Tools takes your handheld ultrasound experience one step further — by connecting you to a suite of user-centric digital tools through an optional Vscan Air subscription.

You asked. We listened.

Committed to meeting your needs, we developed tools to address your challenges. From improved security and image management to easy collaboration, you can get more from your handheld ultrasound experience.

With Individual Solutions, you get access to:

MyImageCloud¹

Provides cloud storage for managing, sharing and remotely accessing image data and exams from anywhere.

1 Works with Centricity™ Universal Zero Footprint Viewer and Centricity Enterprise Archive.

MyRemoteShare²

Easily and securely connect with colleagues and educators in real-time with audio, video, and screen share capabilities.

2 MyRemoteShare is not intended for diagnostic use.

What you need. One subscription.

We listened, we heard you — and we addressed your requests.

More Control

Decide how and where to store your exams and images, and what should remain on your device.

More Privacy

HIPAA compliant with end-to-end data encryption for sharing data from the Vscan Air app.

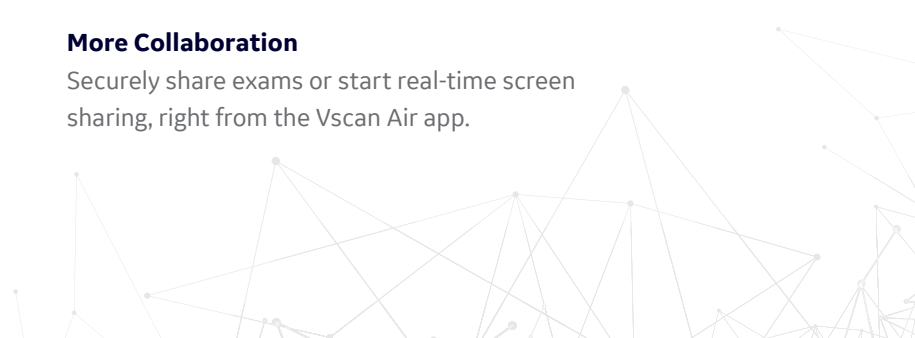

More Convenience

Securely share and store directly from the Vscan Air app.

More Collaboration

Securely share exams or start real-time screen sharing, right from the Vscan Air app.

gehealthcare.com

See more. Treat faster.

MyImageCloud

Easily upload exams to the cloud from the Vscan Air app with this secure cloud-based PACS data and image storage and review solution that supports DICOMweb™ export.

Eliminate the need to hold data on mobile device to minimize data privacy risks

Share images digitally to get faster second opinions and referrals

Share studies for training, education, and consultations

Access images and data from anywhere

MyRemoteShare

Connect with colleagues and educators in real-time with audio, video, and screen share capabilities. Simply start a remote share session from the Vscan Air app for training and support.
